

Frontier Investment Summit

Seattle: June 4th, 9 am - 4 pm

Are your clients tired of riding a financial roller coaster? Come meet the Frontier team to learn how we achieve consistent, dependable results.

- Our Long-Term Growth portfolio beat the S&P 500 11 years in a row—every single year since inception. Only 2 funds in the Morningstar database achieved the same level of success.
- Our Global Opportunities portfolio beat both the S&P 500 and the MSCI World Index for all 7 years since inception.
- Our mutual fund-based absolute return strategy is outperforming the broad market of absolute return hedge funds.

Join us for a one-day conference at the Edgewater to find out how we did it!

Registration is **FREE**. (And we will cover parking.) **Please sign up in advance by calling Cristine at 307-673-5675, or send an e-mail to: ccalkins@frontierasset.com**
